Adaptiv Technologies Announces Refer-a-Friend Rebate Program

Santa Monica, CA - January 9, 2012 - Adaptiv Technologies announced their Refer-a-Friend Rebate Program as a way to thank their loyal customers.

"We get calls from our customers all the time telling us how much they love our products and how they've told all their friends about it," said CEO Wayne Chen. "One of our customer service associates suggested that we should reward our loyal customers helping spread the word about our products and it eventually led to this program. We designed it so that you could possibly end up getting the products you've purchased for free if you refer enough people about it."

Customers who purchased products directly from Adaptiv Technologies on or after January 1st, 2012 are eligible to receive rebates based on their friend's purchase.

Details about the program is available at www.AdaptivTech.com or call 866-232-7848 or 646-722-0253.
